

ALKARMA TV NETWORK

MERRY CHRISTMAS AND A HAPPY NEW YEAR.

Dear Partner in reaching the world for Christ,

The message of Christmas is a message of hope, even if the current circumstances do not tell us so, but we are sure He is Emanuel He is with us. even in hard and dark times, He will carry us through, that's His promise. Jesus said: The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full. John 10:10. Our hope is Jesus.

We are Thankful ...

All of us at Alkarma TV are thankful for you...our precious friend, prayer warrior and partner in sharing Christ through satellite television. Christians living in Iran, Lebanon, Sudan, Iraq, Syria, Yemen and other war-torn countries are enduring hardships. I believe there is no better way to bring comfort, hope and peace to those dear women, men and children than to provide the means for them to hear and experience the love of Jesus in the safety of their own home. They can do this by watching Alkarma programs via their television. What would the world look like if we were able to broadcast the salvation message into every home of the lost? How strong would the family of God be if all those who do not know Him had access to our Biblically-based programs? I believe God's hand of redemption is sweeping across the Middle East and beyond faster than we realize. He is moving, He is working and He is asking Christians in the West to join Him. Thank you for giving and praying...YOU are making a difference in countless lives around the globe, like a young man who called in to tell one of our phone counselors that he watched an Alkarma show and "Jesus met me and saved me. My whole life has changed." Will you help us by sending your best gift today? We rely on the generosity of faithful friends like you to donate and pray. During this giving season, would you prayerfully consider sending a contribution of \$250, \$500 or even \$1,000 or more to help us continue to share His hope to the hopeless and His love to the lost? May God continue to shine His light on you, bless you as you live each day for Him.

Thank you

I could not be more encouraged by what the Lord is accomplishing through our partnership. We are a small group, with a small budget, but God is doing big things. Thank you for all you do to make this happen. If you would like to make a year-end contribution, please send us your donation. My heart is full of gratitude, as this year comes to an end, for all of your prayers and support as we labor together in the Middle East and the world.

Together, by God's grace, we have had a very fruitful year in 2022. However, as it is, we have completed our fundraising and there is an unfulfilled need of about 300K. Please remember us in your year-end giving.
